

PREM LINE

POLYETHYLENE (PET)

Prem Line proudly leads the way in creating exquisite high-end decorative surfaces made from PET, a cutting-edge material that is 100% "Made in Italy".

By managing the entire production process in-house, from foil extrusion to panel lamination, Prem Line guarantees exceptional quality at every stage, setting a new standard for craftsmanship and aesthetics.

SUPERMAT+® PLUS (PET)

FACE	DESCRIPTION	TX	BACK	DESCRIPTION	TX	CORE	W	H	T
